Summer

Your individuality is the most important thing to us. We are pleased to put our knowledge at your disposal and to accompany you in the Yukon. We offer freedom to do your own thing. So you can experience the breath of the wilderness at close quarters, the board and lodgings are individual. On the day of your arrival we take you shopping so you can then cook in your cabin. The kitchen is equipped with everything you need (gas cooker, crockery and cutlery). There is firewood for the wood-burning oven which spreads a cozy warmth throughout. The sanitary arrangements consist of a basin in the cabin and an outhouse. Enjoy a sauna and feel great and relaxed.
